Re: Disregard August 31, 2005 Homeland Security Distribution Center Memo

Due to the fact that the State OEP could not fully coordinate the requested efforts of the parishes we will not participate at the distribution centers. I apologize for any inconvenience this may have caused.

However we are beginning to contact and coordinate direct parish to parish assistance between our office and those member parishes who are effected by Hurricane Katrina. Please fax to 225-336-1344 a list of services your parish can provide. Place on the fax a direct contact person and contact information for your parish. We will continue to work with the parishes we can contact to get them the assistance they need.

I know a number of you are wanting to contribute and we are doing all we can to facilitate your efforts. I ask you to be patient and to know we are doing all we can to get to the affected members.

Thank You and God Bless
